Opportunity: Mental Health and Addictions- Housing First Case Manager - Hamilton Site (Part Time Position)

As a member of the Homeward Bound: From Homelessness to Community team, the Mental Health and Addictions-Housing First Case Manager provides physical, emotional, mental and spiritual support for clients with complex needs. The Case Manager is responsible for working with participants of the program to complete assessments tools, develop a personal care plan, and provide appropriate referrals to community agencies.

Required Knowledge, Skills & Abilities:
- Demonstrated empathy, passion and commitment to the needs and aspirations of homeless and vulnerable people experiencing mental health and or addictions
- Experience in conducting homeless outreach services.
- Demonstrated case management experience with the incorporation of wholistic approaches
- Ability to establish strategic connections with existing agencies and supports.
- Ability to establish rapport and maintain effective relationships by demonstrating positive behaviors with staff, clients and other professionals
- Experience working with individuals experiencing mental health and/or addictions and developing treatment/case plans
- Demonstrated knowledge of Historical Trauma and Intergenerational Trauma of Indigenous Peoples
- An understanding of the effects of poverty and isolation on individuals and communities, including knowledge of social, economic and health issues relevant to the Urban Indigenous Community.

Candidate Qualifiers:
- A post-secondary degree in social services, addictions, or mental health
- Admission Discharge and Assessment Tools Certification
- Mental Health First Aid Certified
- Knowledge of De dwa da dehs nye>s services and external resources;
- Knowledge of the principles of a Housing First Model
- Experience working with homeless and at risk First Nation, Inuit or Métis population;

Candidate Differentiator:
- 1-3 years experience working within the Indigenous Community

Our Mission:
To improve the Wellness of Aboriginal individuals and of the Aboriginal community by providing services which respect people as individuals with a distinctive cultural identity and distinctive values and beliefs.

The Health Centre focuses on culturally appropriate wholistic preventive and primary health care that includes Physicians, Nurse Practitioners, Traditional Healing and other primary health services — Mental Health Support as well as community health supports — Advocacy, Outreach and Health Promotion and Education Services.
