Reflexologist – Hamilton & Brantford PT (Contractor Position)

Reports to the Healthy Living Manager

1 Day per week in Hamilton & Brantford locations

INTRODUCTION:

The Diabetes Education Program provides basic to intermediate level diabetes education and management services through a collaborative, patient-centered model. The diabetes team works collaboratively with primary health care services and health promotion in the screening, prevention, and management of diabetes. Evidenced -based programs and education allows for safe and effective care. Our patient-centered focus on care ensures involvement and partnership with our clients. Our diabetes team works to meet the needs of all Indigenous clients and their families through culturally safe services.
