Indigenous Patient Navigator – Niagara Region 1 FTE Position

Reports to the Cultural Wellness & Outreach Services Manager
Full Time Salary Range: 52,000-56,000

INTRODUCTION:

The overall responsibility of this position is to bridge the gap between Indigenous community members, caregivers, families, health and social service organizations, homecare, hospitals, community support services, in order to better navigate the complexities of the health care system. The IPN will advocate for, and promote access and provision of culturally safe and appropriate health care services. This position acts as a resource for Indigenous clients and health care providers. The patient navigator provides a link between Indigenous communities and western health care providers, healthcare institutions, and supports understanding of the regional health care systems.

Preferred Knowledge, Skills and Ability

Case Management and System Navigation

- Directly support clients, caregivers and families to communicate with physicians, nurses, social workers, discharge planners, community workers and members of the health care team, Traditional Healers, Elders, and knowledge keepers, etc.
- Identify barriers and gaps facing Indigenous community members accessing the health care system and assist with problem solving and finding resolutions to improve access.
- Comprehensive knowledge and understanding of the healthcare system including points of access, referral processes, service eligibility requirements etc.

Education and Promotion

- Assist with development of marketing and promotion strategies on the role and services to Indigenous peoples, etc.
- Deliver informational presentations, provide education on culturally safe services and spaces, provider education sessions, participate in case conferences, spread awareness of program and services through various forms of community engagement.

Operations

- Ability to complete monthly reporting requirements, maintain comprehensive case notes in an EMR, contribute to program planning and team initiatives, comply with privacy and confidentiality policies and procedures

STATEMENT OF QUALIFICATIONS:

- Completion of a post-secondary degree or diploma in a social work or health care related field.
- Demonstrated understanding of the health care system
- Knowledge of traditional medicines and ceremony

In addition to requirements for the position, the ideal candidate would also possess some of the following qualifications:

- 2-5+ years experience working in an Indigenous health or social service organization, hospital or community based case management, health promotion, or public health

100% Organization Paid Benefits

- Health Benefits
- Employee Life AD&D Insurance
- Business Travel Life and Disability Insurance
