Child & Youth Mental Health Outreach Case Manager – St. Catherines

Reports to the Mental Health & Addictions Team Lead

Salary Range: \$50,000 - \$54,000

INTRODUCTION:

The Child and Youth Outreach Case Manager will provide 1:1 visits in the community, group programming, case conferencing, referrals and connections, advocacy services, and other support services across the vast Niagara region, reaching out to smaller communities with little to no support. This role will focus much of their efforts on connecting and supporting children, youth and families involved in the child welfare system. This role will work towards improving patient outcomes by: advocating and supporting children, youth, and families involved in the child welfare system; develop care plans based on wholistic goals and wellness needs; assist clients to access care that meets their goals and needs; manage mental health and addictions issues; facilitate community visits, one to one support, groups, cultural activities as well as community outreach activities

Required Knowledge, Skills and Ability

- Supports and bridges access to organizational and community supports and services that address the social determinants of health which have an impact on an individuals' mental wellness.
- Provides case management support to clients, caregivers and families which will include connections to health and social services, as well as Indigenous cultural and Traditional programs such as Healers, Elders, Knowledge Keepers, Circles, Cultural activities etc.
- Provides community visits, one-on-one supports, youth groups, informational presentations, and supports Mental Health Team.
- Directly builds relationships with internal and external programs to raise awareness of the program, and assists with the development of marketing and promotion strategies of both this role and the Mental Health Team.
- Ensures patient health information is gathered and inputted on a timely basis into the Electronic Medical Record (EMR).

STATEMENT OF QUALIFICATIONS:

- Post secondary diploma degree in social work, psychology, &/or concurrent disorders or related field

In addition to requirements for the position, the ideal candidate would also possess some of the following qualifications:

- 1+ years experience working with individuals with complex needs
- Experience working with and extensive knowledge of Indigenous Peoples language, culture, customs and traditions.
